this book is designed for a one semester issues based general education economics course and its purpose is to interest the nonbusiness noneconomics major in what the discipline of economics can do students of the issues approach will master the basic economic theory necessary to explore a variety of real world issues if this is the only economics course they ever take they will at least gain enough insight to be able to intelligently discuss the way economic theory applies to important issues in the world today until the first edition of this book was published instructors who chose the issues approach to teaching a one semester general economics course had to compromise in one of the following ways they could 1 pick a book that presents the issues but that is devoid of economic theory 2 pick a book that intertwines the issues with the theory 3 ask students to buy two books or 4 place a large number of readings on library reserve

with the 2008 mla update edition the new mcgraw hill handbook continues to set the bar for contemporary handbooks writing and research have changed dramatically since the first hardcover handbooks appeared today's students don't rely on pens or typewriters they use computers to write they don't just do research they find their way

through a maze of online information they don't just read print they analyze visuals they don't just come to class they participate in an online learning community these changes have put new demands on composition courses with its focus on writing in today's environment integrated coverage of technology and visual rhetoric and hallmark coverage of writing across the curriculum the new mcgraw hill handbook has been designed to provide today's students with a current comprehensive resource for writing in college and beyond with the coursesmart etextbook version of this title students can save up to 50 off the cost of a print book reduce their impact on the environment and access powerful web tools for learning faculty can also review and compare the full text online without having to wait for a print desk copy coursesmart is an online etextbook which means users need to be connected to the internet in order to access students can also print sections of the book for maximum portability
